

BOOMTOWN ANTIQUE SHOW 2026

As of 10-30-25

Dear Boomtown Show Vendors:

This is the preliminary packet. I'm not positive as to costs yet but I hope to keep the prices the same.

The 2026 Dates will be August 21,22,23

Attached please find the following: Detail Request Form (to return ASAP); Layout with Booth sizes and pricing; and information on Overnight Accommodations.

Vendor spaces are limited with returning vendors getting first pick of spaces.

As you may have heard, since having the show in Truckee has become economically infeasible, we are moving the antique show to the Boomtown Casino right at the bottom of the hill in Verdi.

BOOTH COST All spaces are charged at \$2.50 a square foot.

RENTAL TABLES, COVERS & CHAIRS: 8' Tables @\$22.00, 6' Tables @\$20.00, Table Covers @\$5.00. Chairs and power at no charge.

**Please let me know if and how many postcards you would like.
Also if you will need any tables, I need to get the rental order in early.**

HISTORY OF THE TRUCKEE SHOW As our "oldtimers" will recall, this Show was started in 1974 by the late Walter Larsen as a benefit for the Truckee High Boosters. When Walter retired in 2008, Twin Bridges Antique Productions "took the torch" and continued to promote the Truckee Show. The Truckee Show was considered the largest and finest Show in the Cal Neva Area with dealers from multiple states. Even though the show is no longer held in Truckee, we are honored to continue promoting this show in the same manner and are delighted you'll be part of it!
